

Resolution #2023-16

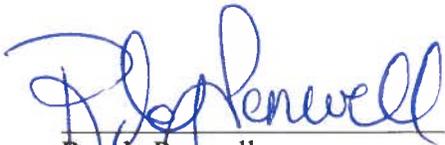

A resolution by the
Whitman County Library
Board of Trustees
Staff Wages

The Board of Whitman County Library has determined the need to raise staff wages in order to provide better quality of living to staff and to retain personnel.

Whereas the Board of Trustees recognizes the value and hard work of the employees of the library, and understands that recent economic developments have caused a strain on living expenses, and due to the availability of higher wage jobs in the area causing a challenge to retain staff; therefore

Be it resolved by the Board of Whitman County Library to raise staff wages to the amounts as proposed by the director and discussed amongst the Board.

Signed this 20th day of June, 2023.
