

A resolution by the
Whitman County Library
Board of Trustees

Four Day Work Week and Benefits Change for Full Time Staff

The Board of Whitman County Library has determined the need to revise the library's policy for Personnel, in order to make the library a more competitive employer and to help retain staff.

Whereas the Board of Trustees recognizes the value and hard work of the employees of the library, and that the library is limited in the wage and funding options available to it; therefore

Be it resolved by the Board of Whitman County Library to revise the Personnel portions of the policy manual as proposed by the director and discussed amongst the Board to enact a change to the work schedule and benefit package for full time employees.

Signed this 19th day of December, 2023.
