

A resolution by the
Whitman County Library
Board of Trustees
Outstanding Fine Forgiveness

The Board of Whitman County Library has determined the need to forgive library fines that have been outstanding for more than seven years; and

Whereas the Board of Trustees recognizes the requirement of state law, and that some fines have been outstanding for much longer than seven years, and that collection of said fines is no longer a practical concern, and that outstanding fines causes the library database to be cluttered and outdated; and

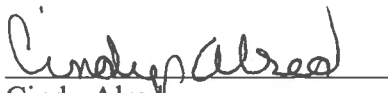

Whereas the Board of Whitman County Library determined the need to forgive a portion of outstanding fines; therefore

Be it resolved by the Board of Whitman County Library to forgive outstanding fines from 2007 and older, totaling approximately \$19,000.

Signed this 20 day of February, 2024.
